

NOTICE OF APPLICATION FOR ALIEN EMPLOYMENT CERTIFICATION

This notice is provided because of the filing of an application for permanent alien labor certification for the following position:

PROFESSOR AND NCEAS DIRECTOR

Concerned applicants for this position should report to the following University of California, Santa Barbara department/institute office of employment responsible for placing this position:

Ecology, Evolution, and Marine Biology / Office of Research

Any person may provide documentary evidence bearing on the application to the attention of the Certifying Officer of the U.S. Department of Labor, Employment & Training Administration, Atlanta National Processing Center, Harris Tower, 233 Peachtree Street, Suite 410, Atlanta, Georgia 30303

The following is a statement of the job duties, requirements and the wage offer:

Duties: The Director has overall responsibility for running the center, with the aid of a Deputy Director, provides scientific leadership and fosters an environment that inspires collaboration. The Director should be an outstanding ecologist with an enviable research record, demonstrated organizational and management skills, good interpersonal skills and fully articulated commitment to the goals of the Center. Experience with various funding sources would be advantageous, and an appreciation of conservation and resource management issues & ecological informatics.

Requirements: Ph.D.

Wage Offer: Salary range begins at \$96,400 annually

This notice has been posted in compliance with 20 CFR 656.10(d)(1)(ii), it has been posted in two conspicuous locations for at least 10 consecutive business days and on the usual in-house website for recruitment of such UC Santa Barbara positions.
